## **St. Albert the Great Preschool**

This handbook is prepared for the parents of all children enrolled in **St. Albert the Great Preschool**. It is designed to explain the programs and show how you can help your child make initial and continuing adjustments to time away from home.

### **Philosophy:**

The programs of **St. Albert the Great Preschool** will provide a learning environment in which a child is helped at his or her own level to learn how to plan his own life-actions: Where a child receives love, security, acceptance, values, self control, independence, protection, and guidance and teachers earnestly try to involve a child in the excitement of learning.

The curriculum of each class encircles the vital objective of helping a child to develop a positive self- image. A wide variety of experiences are planned in order that each child has opportunities for success.

The program provides for the total child: His/Her particular needs within their moral and spiritual, social, emotional, physical, and mental development.

Moral and Spiritual - To help the child:

1. Become aware and know that God and Jesus loves and cares for them.
2. Lay the groundwork for a personal and lasting relationship with Christ.
3. Develop an attitude of kindness, cooperation, respect, courtesy, and helpfulness toward others.

Social - To help the child:

1. Grow in ability to work and play with others.  
Play is the work of children. Play allows children to learn. Learning is fun!
2. Respect personal and property rights of others.
3. Develop an attitude of kindness, cooperation, courtesy, and helpfulness toward others.
4. Accept appropriate individual and social responsibility in their group.
5. Build problem-solving skills.

Emotional - To help the child:

1. Gradually mature in emotional responses and self-discipline.
2. Properly express emotional responses.
3. Become progressively independent.
4. Develop self-confidence.

Mental - To help the child:

1. Develop a love for learning.
2. Develop independent thinking, draw conclusions and make choices.
3. Broaden his/her range of interest.
4. Develop his/her language powers and encourage self-expression.

5. Grow in an ability to concentrate.
6. Encourage creativity.
7. Improve his/her skills

Physical - To help a child:

1. Participate in a variety of both fine and gross motor activities.
2. Establish desirable health habits.
3. Know and follow simple rules of safety.

**St. Albert the Great Preschool** is a pro-social program. Each week the schedule offers a wide variety of activities that include rhythm, music, art, literature, physical education, math, social studies, science, and language arts. Our curriculum also includes play. Play belongs to childhood. Through play, a child works his/her way into joy, and into a more mature capable person, ready for the next step in his/her growing development.

### **Preschool Policies:**

**Accidents or emergencies:** In case of an accident, your child will be given first aid and you will be notified. If it is a life-threatening incident, proper emergency procedures will be followed. Your child's health forms should be **UP TO DATE AT ALL TIMES** including the physician's name, phone number and hospital of preference. Please be sure you have completed the emergency medical treatment portion of your child's registration form. Up to date contact information for both parents as well as an alternate contact person are vital.

**Appointments:** In order to keep classroom disruption to a minimum, if your child has an appointment and must be picked up before normal dismissal time, they may not return to school that day. Your child may come to school late after an appointment but we ask that you consider the time of day and what your child was seen for (vaccines, dental work, etc)

**Arrival and Departure:** The children may arrive as early as 7:30 in the preschool carpool line. Dismissal is at 11:15 for half-day sessions and 2:45 for full-day sessions. After school care is from 2:45-6:00 pm.

If tardy in the morning (arrive at school after 7:50 am) you must take your child to the main school office. A St. Albert staff member will walk them over to the preschool or a preschool staff member will come and get your child. You must sign the permission slip included in the packet for the office staff to supervise them in the office and/or walk them over.

While we understand being tardy happens, we ask that every effort be made to have your child to school on time.

**Bathroom:** All children **MUST** be toilet trained before entering St. Albert the Great Preschool. NO diapers, pull-ups, or training underwear. Students must be in underwear. They must be able to pull up and down their own underwear and pants. **NO EXCEPTIONS WILL BE MADE FOR ANY REASON.** If your child is not able to meet the above requirements, they will not be eligible for our preschool program.

### Routine Bathroom Use:

1. All children will be helped with personal care and cleanliness maintaining as much privacy as possible.
2. Children will be encouraged to wipe themselves to the best of their ability, but may be assisted as staff seems necessary.
3. If a child has a bowel accident, they will be encouraged to wipe themselves. If they have difficulty, the staff will assist using our procedure for changing preschool children with soiled underwear.
4. Staff may assist a child in changing clothes if necessary.
5. Hands will be washed with soap and running water after using the bathroom.

**Birthdays:** This is a special day in a child's life. Your child's teacher will contact you to make arrangements for this special day. You may bring/send in a treat for this special occasion, however due to health regulations; **they must be store bought rather than home made. All food items brought into the classroom must have a full list of ingredients.** Your child's teacher will notify you of any food allergies in the classroom. Please communicate with your child's teacher about what you plan to bring to ensure it meets the above requirements. Parents are welcome to come in and celebrate with their child; no siblings, grandparents, or other family members. Birthday party invitations may be sent to school for distribution if the entire class or if all of one gender is invited.

**Clothing:** All children need an extra set of seasonal clothing and tennis shoes to be kept at the preschool. To avoid confusion, all clothing should be labeled with the child's name and placed in a zip-lock bag. Their name should be on the outside of the ziploc bag. Other items of clothing such as a sweater, jacket, hats, mittens, etc., should also be clearly labeled.

**Communication:** **St. Albert the Great Preschool** considers it essential for the home and preschool to work as partners to encourage the maximum growth in all areas of your child's development. Weekly newsletters, class calendars, and information on special events will be posted on our Preschool Google Website (please make sure we have a working email address for you). If there are concerns, we will be happy to schedule a conference with you. We would prefer not discussing behavioral problems in front of the children or at carpool. The teachers cannot accept verbal messages from a child. Please send in a note or email the teacher and director . You may also call the director's at 425-1804 ext 197.

Preschool staff have 24 hours to respond to any email communication. Staff emails are not regularly checked or answered on the weekends or on school breaks.

**Curriculum:** Each age group has established units of basic skills, which are age appropriate. Curriculum is planned for the month and parents will receive a calendar indicating the themes and concepts being worked on each month. Daily schedules will be posted in each classroom.

The Archdiocese curriculum for PreK can be found on their website.

The students will attend special classes including music, library, physical education, and art once per week.

Copies of legal documents regarding custody will be maintained in the child's file. Court orders will be followed.

**Discipline:** The goal of **St. Albert the Great Preschool** is to teach children self-regulation. The guidance techniques used are on the developmental level of the child and include: positive reinforcement, redirection, time-out, and helping the children solve their own problems. Children are made aware of expectations through the consistent use of clearly defined limits. No physical or harsh verbal discipline will be used. Physical discipline such as spanking is not permitted by staff or parents on the school's property. Should continual behavior problems occur, a meeting between preschool staff and the parents will be held in order to determine an appropriate course of action that is agreeable to all.

**Drills:** Each month the preschool will have a fire drill to familiarize children and staff with proper exit procedures. Quarterly tornado, earthquake, and lockdown drills will be held as well. In the event of severe weather, it is safer for both parents and children to remain where they are at the time of the alert. The preschool has established safe places within St. Albert buildings for all children to go to in the event of such an emergency.

**Play:** Play is a vital part of a child's growth. Children will be taken outside each day except when it's too cold, wet, extremely hot or the pollution index is considered dangerous. When your child's class goes outside, everyone goes outside. If for some reason you feel your child must not be outside, please discuss this with the teacher and/or the director. On days with inclement weather, the gym may be used.

**Rest Time:** Each child is expected to rest after lunch each day for a reasonable period, not to exceed 2 hours. Mats are provided for this period. Please send in two crib-sized sheets with elastic and without holes and a favorite **small** blanket for rest time. Sheets and blankets should be labeled with the child's name and will be sent home on Friday of each week to be laundered and returned on Monday. Loveys/security blankets are only permitted in the 3 year classrooms from August until the end of December.

**Right of Dismissal:** **St. Albert the Great Preschool** reserves the right to dismiss a child due to non-compliance of the policies by the parent.
